கடவுள் வாழ்த்து

அகர முதல எழுத்தெல்லாம் ஆதி
பகவன் முதற்றே உலகு.

அகர ஒலியே எல்லா எழுத்துகளுக்கும்
முதல் அதுபோல ஆதிபகவன்
உலகிமுள்ள உயிர்கள் எல்லாவற்றிற்கும்
முதல்வனாக இருக்கின்றான்.

கல்வி

கற்க கசடறக் கற்பவை கற்றபின்
நிற்க அதற்குத் தக.

கற்பதற்குத் தகுதியான நூல்களைப் பழுதில்லாமல்
கற்க வேண்டும் கற்றதன் பின்னர் கற்ற அக்கல்வியின்
தகுதிக்குத் தகுந்தபடி நடக்க வேண்டும்.

ABOUT THE COLLEGE

Sri Krishna Institute of Technology is founded in the year 2009 by the far sighted vision of its illustrious Honourable Founder & Chairman, **Dr.R.Vivekanandhan** and funded by Sri Krishna Educational Trust. Sri Krishna Institute of Technology has been always committed and responsive towards the needs of modern education and yet another milestone in our endeavors. Sri Krishna Institute of Technology is a premier institution established by the visionary management, with a mission to create sensitive and responsible generation of engineering professions, entrepreneurs, inventors and technocrats.

INDUCTION DAY - 2025

The 26th Induction Programme was conducted at Sri Krishna Engineering College and Sri Krishna Institute of Technology to warmly welcome the first-year students into the institution. The programme was graced by the presence of our esteemed Founder & Chairman, **Dr. R. Vivekanandhan**, who presided over the function. Pulavar **M. Ramalingam**, the Chief Guest, delivered an inspiring address, motivating the newly admitted students to pursue academic excellence, develop strong values, and make the most of the opportunities available during their engineering education. The programme served as an ideal platform to familiarize the students with the institution's vision, academic environment, and expectations, marking the beginning of their journey towards a successful professional career.

THE PONGAL CELEBRATION - 2025

The Pongal Celebration 2025, conducted on 10th January 2025, was celebrated with great fervor at Sri Krishna Engineering College and Sri Krishna Institute of Technology. The event aimed to honour the harvest festival of Tamil Nadu, preserve its rich cultural traditions, and instill a sense of pride and togetherness among students through various traditional activities.

Students participated wholeheartedly in the Kolam Competition and a variety of traditional events, showcasing their creativity, artistic excellence, and cultural appreciation. Their energetic involvement created an atmosphere of festivity, strengthening the values of unity, collaboration, and togetherness throughout the celebration.

THE PONGAL CELEBRATION - 2026

The Pongal Celebration 2026 was celebrated with great enthusiasm and traditional spirit on 9th January 2026 at Sri Krishna Engineering College and Sri Krishna Institute of Technology. The campus came alive with festive decorations, including intricate kolams, sugarcane, and other traditional elements that captured the vibrant spirit of Pongal. The celebration was inaugurated by the respected Founder & Chairman, **Dr.R.Vivekanandhan**, accompanied by esteemed members of the management and faculty. Addressing the gathering, he underscored the importance of preserving cultural values and motivated students to cherish their traditions while excelling in their academic endeavors.

NATIONAL LEVEL TECHNICAL SYMPOSIUM FUSION 2.9 OF 2K25

The Students' Association of SKEC – SKIT proudly organized FUSION 2.9 of 2K25, a National Level Technical Symposium, on 09.04.2025. The function featured a guest lecture by Mr. **S. Nagarajan**, Deputy General Manager, Delphi TVS, who delivered an insightful session on preparing students with academic and industry-oriented knowledge, thereby enhancing their practical understanding and career readiness

Our Founder & Chairman, **Dr. R. Vivekanandhan**, distributed prizes to the winners of both Technical and Non-Technical events, recognizing and appreciating the students' achievements and enthusiastic participation. In the second half of the event, this was followed by a cultural program organized for our students.

NATIONAL LEVEL TECHNICAL SYMPOSIUM FUSION 2.11, OF 2K26

The Students' Association of Sri Krishna Engineering College (SKEC) and Sri Krishna Institute of Technology (SKIT) successfully organized FUSION 2.11, a National Level Technical Symposium, on 10.04.2026. The event commenced with the Presidential Address delivered by our esteemed Founder & Chairman, **Dr. R. Vivekanandhan**. The Inaugural Address for the morning session was delivered by **Dr. M. Mohamed Ismail**, Dean (Academic), **B.S. Abdur Rahman Crescent Institute of Science & Technology**. The afternoon session concluded with the Valedictory Address by **Dr. G. Chandrasekar**, Director and Member, IIBAT, while the Special Address was delivered by Mr. **D. Vasudevan**, Business Head (Wiper Operations India), Valeo India Pvt. Ltd. Their inspiring speeches motivated students to pursue innovation, technical excellence, and professional growth. The dignitaries also distributed prizes to the winners of the Technical and Non-Technical events, recognizing their outstanding performances and active participation throughout the symposium.

STAFF ACHIEVEMENT

NPTEL

NPTEL ONLINE CERTIFICATION

(Funded by the MoE, Govt. of India)

To verify the certificate

No. of credits recommended: 1 or 2

GUEST LECTURE

Mr. **Rajesh Kumar K**, Mechanical Senior Design Engineer from Valeo India Pvt. Ltd., Chennai, delivered a guest lecture on the topic 'Automotive Lighting System Basics' for our students on 01.11.2026. The session provided valuable insights into automotive lighting systems, and the students gained enhanced knowledge and understanding of the subject.

Prof. Dr. **R. Venkatasubramanian** delivered a guest lecture on EEE subjects for first-year students to enhance their knowledge and provide better exposure to their core subjects. Prof. **N. Selvalakshmi** delivered a guest lecture on Circuits and Network Analysis for first-year ECE students, aimed at enhancing their knowledge and providing better exposure to their core subjects. Prof. **E. Janarthan** delivered a session on the effective use of steam tables for Mechanical Engineering students, guiding them on how to apply them accurately in examinations on 06.04.2026.

Mr. **R. Harikrishnan**, a Site Supervisor in building construction, shared his knowledge and insights with our Civil Engineering students. He provided valuable guidance on how to approach their studies in line with current technologies and industry practices.

INDUSTRIAL VISIT - VALEO

A one-day industrial visit to Valeo India Pvt. Ltd., Vallam, was arranged for the CSE, ECE, EEE, Civil and Mechanical Engineering students on 05.02.2026. The visit offered students valuable exposure to the company's manufacturing environment, where they observed the assembly and disassembly of wiper motors and gained firsthand knowledge of industrial production processes. The experience significantly enhanced their practical understanding of engineering concepts and contemporary industrial practices.

THE PONGAL

CELEBRATION - 2026

IIBAT VISIT

On 21.02.2026, a one-day industrial visit was arranged to IIBAT, Padappai, for the first-year students of Mechanical, AIML and Cybersecurity Department visit provided them with first hand exposure to laboratory techniques and research activities in the areas of toxicology and chemistry. It enabled students to understand the real-world applications of these subjects while enriching their practical knowledge and academic interest.

TIDEL PARK

On 30.03.2026, an industrial visit was organized to TIDEL Park (TANSAM). The Second year and Third year Students of ECE, EEE, MECH Department had the opportunity to visit various advanced laboratories, including the AR/VR Centre, 3D Metal Printing Lab, PLC Mechanism Lab, IoT Lab, AI & Machine Learning Lab, and facilities related to PLMC technologies. The visit provided firsthand exposure to cutting-edge technologies and modern industrial practices, strengthening their practical knowledge and technical skills.

WORKSHOP - CHENNAI TRADE CENTER

“Our college first-year students, **P. Swathika** and **E. Vinitha** from CSE (Cyber Security), and **M. Hilmiya Hifa** and **K. Swetha** from CSE (AI & ML), Participated the workshop at Chennai Comic Con 2026 held at the Chennai Trade Centre, Chennai. Other students also visited the educational stalls as part of the event, accompanied by our faculty members. The visit provided valuable exposure and learning opportunities for the students.”

WORKSHOP - SRM

SRM Institute of Science and Technology, Department of Civil Engineering, organized a one-day workshop on 27.02.2026. Our students - **M.Divya** and **E.Sakthi** from II Year Civil Engineering, and **Rengaraj** from Mechanical Engineering actively participated in the event, gaining valuable insights and enhancing their practical knowledge in the field.

EDUCATIONAL TOUR - MAHABALIPURAM

An educational tour to Mahabalipuram was organized on 28.03.2026 (Saturday) as part of the "Tamil and Technology" course for students from CSE (Cyber Security), AIML, ECE, EEE, Civil, and Mechanical Engineering. The visit enabled students to explore the remarkable architectural achievements of ancient Tamil civilization, offering valuable insights into the integration of cultural heritage with engineering and technological advancements.

STUDENT HACKATHON

CO-CURRICULUM ACTIVITIES

JAPANESE LANGUAGE

As part of the academic curriculum, a Foreign Language course was organized for first-year students, focusing on the Japanese language. The program was conducted on 07.02.2026 by **Mr. Ponvel Viswanathan**, with the objective of helping students understand, communicate, and develop essential language skills. The training covered the fundamentals of Japanese, including reading, writing systems, pronunciation, and basic speaking skills, thereby enhancing students' global communication abilities.

NAAN MUDHALVAN - NIRAL THIRUVIZHA

Naan Mudhalvan, a flagship initiative of the Government of Tamil Nadu, aims to equip students with essential skills and knowledge for future career success. Students **Dinesh D, Giri Shankar M, Sabari Ganesh R, Elambarithi S, Selvakumar S, Rohith J, Arunkumar S, and Tirumalai Selvi S** of Sri Krishna Institute of Technology participated in the Naan Mudhalvan – Niral Thiruvizha event by presenting their project titled "Collect Plastic Waste in Marine Ecosystem," highlighting innovative solutions for marine

BOOK LEAF PUBLISHING

Prof. **Vijay Srinivas**, Sri Krishna Engineering College, published his book "The Inward Gaze: Radiance of Inner Illumination" through Leaf Publishing. A distinguished poet and scholar, he is passionately devoted to the classical traditions of Tamil Venba poetry, and his work beautifully reflects the richness of Tamil literature and the pursuit of inner wisdom.

The Inward Gaze

Radiance of Inner Illumination

Vijay Srinivas

Vijay Srinivas is an impulsive poet and scholar captivated by the classical traditions of Tamil venba poetry. His passionate verses blend centuries-old rhythms with contemporary insights, revealing the delicate interplay of thought, emotion, and language. In addition to his poetic pursuits, Vijay Srinivas is dedicated to teaching in engineering, where he inspires students with his zeal for both technology and literature. His creative work bridges the technical and the lyrical, offering readers profound reflections rendered with graceful simplicity and heartfelt depth.

ABOUT THE AUTHOR

This collection invites readers to walk with him through moments of memory, transformation, and quiet illumination, showcasing the enduring soul of Tamil poetic heritage in the English language.

SPORTS ACTIVITIES

PERI Institute of Technology organized sports activities on 03.03.2026. Our students— **Sanjay. R, Sabari Ganesan. R, Selvakumar. S, Elamparithi. S, and Girishankar.M**—actively participated and secured victory in the **Cricket** event, bringing pride to the institution. A National Level Technical and Sports Event was organized by Madha Engineering College on 03.03.2026. Our students actively participated and brought laurels to the institution. Rohit.P.J , a 3rd-year ECE student, and Kathiresan . S, a 2nd-year Civil Engineering student, won prizes in the **Quiz Competition**. In the **Throwball** event, girls from CSE (Cyber Security), AIML, and ECE departments also secured prizes.

LIFE SKILLS - YOGA TRAINING

As part of the academic curriculum, a Life Skills for Engineers course on Yoga Training was organized for first-year students on 25.02.2026. Prof. **A. Sivakumar** addressed the students on the importance of yoga in developing physical fitness, mental clarity, and overall well-being. The session proved to be highly beneficial, promoting a balanced and healthy lifestyle among the students.

LAPTOP DISTRIBUTION

“On 11th February 2026, laptops provided under the Government of Tamil Nadu scheme were distributed to the final-year students by our Founder & Chairman, **Dr. R. Vivekanandhan** to support their academic and technological advancement.”
